Big Protection. Bigger savings.

We'll help you build your very own out-of-pocket-protection package. Starting with Short Term Medical, add layers of protection to defend yourself against health care costs.

Short Term Medical

- Helps you save money with access to network discounts using the Aetna Open Choice® PPO Network
- Comes in a variety of term lengths, giving you the coverage you need for the amount of time you need it*

Boost your protection with plans providing:

- Preset cash benefits that help you pay for office visits, hospital stays, lab work, and more
- Added protection for accidents and critical illness diagnoses that pay cash benefits when the unexpected happens — use the cash benefits in any way you need

All this helps you plan ahead for medical bills you can't see coming.

* Federal regulation allows for plan durations with less than 3 months of coverage.

THESE PLANS PROVIDE LIMITED BENEFITS.

National General Accident and Health markets products underwritten by Time Insurance Company, National Health Insurance Company, Integon National Insurance Company, and Integon Indemnity Corporation.
