

GTL Short Term Home Health Care with T-Care/Caregiver Underwriting Guide

Issue Ages: 61-85

Benefit Amounts: \$150, \$300, \$450 Max Per Day

1. The applicant must be a U.S. citizen or hold a “green card” (permanent resident of US). We will not consider any applicant that has a temporary visa, work or otherwise. The applicant also must have a valid social security number. We will not consider any applicant without one.
2. The agent must be health licensed and use the state approved application in the state where the applicant has permanent residency.
3. If the application is over 31 days old when received by the Company, a new currently dated Application will be required.
4. The effective date cannot be more than 90 days from the application date or prior to the application date.
5. The draft day cannot be more than 15 days before or after the effective date.
6. Insurability will be determined by the answers to the medical questions. If any answer is yes, the applicant does not qualify. Also, if the applicant has any prior GTL/UNL coverage, claim history will be reviewed in determining insurability.
7. The applicant can only have one Short Term Home Health Care in force at any one time, but replacements are allowed. If new or additional coverage is desired, a new application must be completed and the applicant must meet underwriting standards. This will also be subject to a new pre-existing and contestability period (but anything previously satisfied under the prior plan claims would be able to manually adjudicate.) (Note: We do not permit replacement of a policy written by another agent.) The current age of the applicant will be used to determine premium rates.

Note: Commissions on increased premium will be paid on a renewal basis.

8. The Maximum coverage for this plan is Option C (\$450). If the applicant wants additional home health coverage, please see the Maximum Home Health Care Benefit Chart.
9. The maximum ambulance benefit (combined between two policies or combined between GTL & UNL) is \$400.
10. The applicant can have only one Dental Vision Rider. If the applicant has a Dental Vision Rider (or plan) with another GTL policy, this rider cannot be sold with this plan.
11. The maximum Hospital Indemnity/Accident & Sickness Hospitalization Rider benefit for this plan is \$300/day between all products (GTL & UNL) that have this same Rider.
12. Riders must be sold within the base option applied for. For example, if applying for Option A, only riders listed in Option A can be applied for.

13. While the height and weight are asked for on the application, at this time they will not be used in underwriting the application.
14. A policy can be considered for reinstatement if not lapsed more than 6 months. If more than 6 months, a new application needs to be submitted.
15. The base Short-Term Home Health Care rates (and Accident & Sickness Hospitalization Rider) are based on **Attained Age** and will increase upon the policyholder anniversary date (see rate sheet). **Attained Age** increases (if applicable) will occur at age 86 and older— rates are below. Caregiver Rates are issue age and do not increase with age.
16. Return of Premium Rider only available on new policies. It cannot be added to existing policies.
17. A Power of Attorney (POA/Guardianship) is not acceptable for this product.
