

America's
★ **Choice**

What We Do

America's Choice is a solution that provides the best services to ensure your experience exceeds your expectations.

Our services include an extensive array of physician and ancillary networks, pharmacy benefit management, telehealth, and in-home services that are designed to keep your healthcare costs under control while providing you with the very best coverage options available.

Our Vision Your Future

About Us

America's Choice plans are designed to save you money, save you time, and guide you on your journey of well-being.

Our approach is unique in that we align our incentives with you to ensure we are all working toward a common objective: to provide the highest quality healthcare at the most competitive prices in the industry.

Our Promise

Our organization focuses efforts on a “client first” approach with creativity, service, and excellence.

- Building long-term client satisfaction by facilitating solutions for plan administration, clinical programs, wellness, and pharmacy services
- Developing practical solutions based on the specific needs and requirements of the individual client
- Utilizing a centralized technical services unit for all work products, ensuring proper quality control, and seamless access

Who We Serve

As a top provider of comprehensive risk management, insurance, and employee benefit advisory services, America's Choice serves thousands of employers across the country, and we continue to expand.

Generally, if you run your own business or are self-employed, your business won't qualify for group coverage. Fortunately, America's Choice offers affordable, quality coverage for people who:

- run their own business
- are self-employed with no employees
- are in the gig-economy
- are freelancers or consultants
- do not qualify for an ACA subsidy
- are an uninsured partner of a Medicare recipient
- are a client up to age 63
- are a dependent up to age 26
- want to save money while maintaining quality coverage

Network Options

We have options for individual coverage and group coverage.
